Here is some information you can forward to your parents. I'm also attaching our flyer to this email. CDM boys varsity jackets are dark navy wool with gray leather sleeves. The boys package starts at \$249. We custom make the jackets for the students at our facility in Cypress. We are at the end of Christmas rush. Jackets are currently taking 3 to 3 1/2 weeks to get, once I have the patches and deposit.

I can size students when I am on campus or parents can take them into the C & L shop in Cypress.

The average cost for a CdM football varsity jacket is \$375.00 to \$450.00. The pricing depends on how customized they want to make their jackets. Most boys on the team add the Sea King logo, jersey numbers and patches to their jackets. A number of the boys of the boys have ordered the custom helmet patch we designed for you and 2 color last names.
